Minutes Report:

The AC unit went out in the building. Meeting was called due to a tropical depression threat in the next few days and no repair company called was able to fix the unit until the next week. The unit was needed as the fire department needed to be staffed and ready for the possible storm.

Denny offered to do the work through his AC company at cost plus \$1,000.00 labor, which was lower than any estimate, and he was able to do the job tomorrow. No business was discussed.

Len Jones motioned to spend up to \$5,000.00 on the repair and \$1,000 for labor. Jeff LeBlanc seconded; motion passed unanimously.

\*Denny Abstained
